Maverick Mentorship Program

The Maverick Mentorship Program at IBA offers on-campus opportunities for students to engage directly with industry experts. Hosted by IBA-CDC each semester, the program connects students with mentors from diverse industries, offering guidance on career paths, industry trends, and professional growth. Maverick Fall 2025 brought a school-wise format to deliver more personalized and relevant guidance, ensuring students received insights aligned with their academic and career goals.

Parvaaz

The Parvaaz Mentorship Program – Cohort III with around 30 mentors from the IBA professional network and 40 mentees. This four-month program requires mentees to engage in three to four individual meetings with their mentors, fostering personalized guidance. The inaugural session facilitated in-person connections, setting expectations and establishing professional relationships to support participants' personal and professional development.

The Parvaaz Mentorship Program helped me gain clarity in shaping my career path. My mentor's marketing expertise and industry insights guided me in aligning my academic goals with future opportunities.

(Aliza Amir Class of BBA 2026)

The Parvaaz Mentorship Program gave me a clearer direction for my career. I highly recommend it to students for the valuable guidance and insights it offers.

(Nuzhat Shoaib Class of MS Development Studies 2025)

Hear directly from our students on how impactful this mentorship has been! They shared that the experience was highly valuable and strongly recommend the program to fellow students who are seeking structured career guidance.

(Devika Class of BSECO 2026)

"Feedback provided by students during the concluding meeting of Parvaaz."
