

More Learning Ventures

IBA-CDC in collaboration with some top notch organizations hosted numerous sessions and webinars for practical learning of IBA students and graduates. Details of these engagements are as follows:

- Unilever Pakistan Future Fit Series
- ENGR0 Enablers - Energy Edition
- Ihsan Trust - Effective Resume Writing Webinar
- Pakistani Women in Computing's GetHired 2021
- Bayer Pakistan - Careers in Life Sciences for Women

Study tour to Pakistan Stock Exchange (PSX)

The Career Development Centre organized a study tour to the Pakistan Stock Exchange (PSX) for the IBA students. The main objective of this excursion was to guide students on the capital market and provide them with practical experience in stock market operations. During this visit, students learnt to begin their investment journey in the stock world from the minimum fund. The students found the visit highly beneficial because it provided them a practical exposure to the Pakistan Stock Exchange (PSX) and its operations.

Inclusion of Recruitment Toolkit on the IBA Job Portal:

The Career Resources section of the IBA Job Portal has been updated with some self-help material to assist students in preparing for recruitment assessments. McKinsey Preparatory Material, Online Assessments Videos, Sample Papers/Assessment Tests of previous years were made available to students as self-help materials.

How to prepare for McKinsey Interviews - An interactive session

The IBA Consulting Society, in collaboration with the IBA Career Development Center, organized a workshop titled 'Preparing for Management Consulting Interviews' at the IBA Main Campus.

Our work place has been relocated to the IBA City campus!

*(Stats are from July – December 2021)

IBA CEO Forum

A discourse titled 'Industry-Academia Linkages - Why and How?' was organized at the IBA City Campus. This was the second session conducted under the dialogue series 'CEO Forum'. The discussion was moderated by Dr. S Akbar Zaidi, Executive Director, IBA Karachi who was in conversation with corporate leaders, Ms. Jehan Ara, Founder and CEO, Catalyst Labs and Mr. Raza Pirbhai, CEO, KFC Pakistan. Industrialist, students, faculty, media personnel, academicians and members from the corporate sector attended the session in large numbers.

Corporate Connect Series brings some amazing expertise in classroom teachings

IBA-CDC organized numerous guests speaking sessions with corporate experts who exchanged their views and provided valuable insights to our students. The sessions covered broad array of themes including but not limited to Customer Development, Strategic HRM, Emerging Technologies – Blockchain, and Financial Management. Student got an opportunity to connect with these professional experts and discussed their queries on a one-on-one basis.

Team CDC continues to build linkages with the industry

CDC strives to explore and present new opportunities to IBA students by networking with all sectors. CDC Representatives met with various top notch companies' officials to get them onboard and to collaborate on new avenues for mutual benefits. During this period, CDC team met representatives from 10 pearls, Careem, Systems Limited, Cloud-Junction, CDC Investment Group, Karachi Port Trust, Feroze1888 Mills, Army Welfare Trust, and Forman Christian College's Placement Team.
