

PARTNERSHIP PROPOSAL

**IBA
AREER
FAIR'25**

Tuesday | February 04, 2025

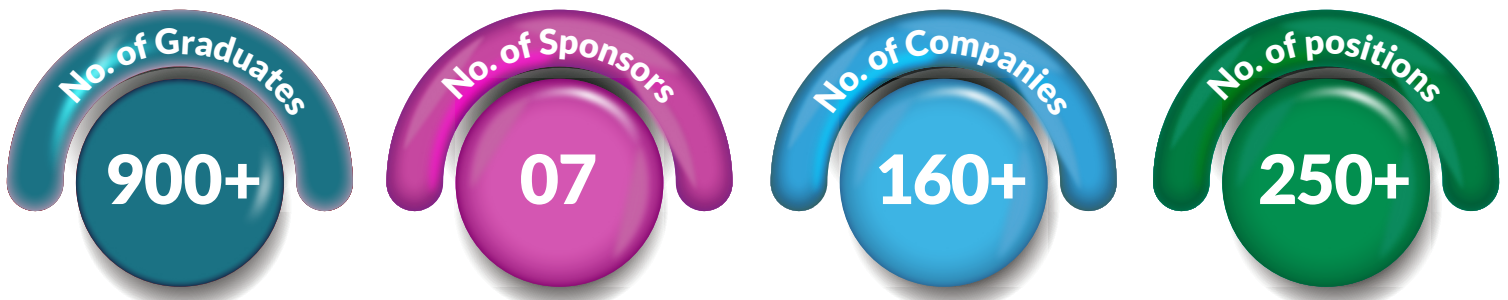

Career Development Center, IBA

The Career Development Center (CDC) is a cornerstone of IBA's commitment to nurture the professional growth and success of our students and alumni. CDC offers a wide range of services, including career and grad counselling, resume and interview preparation, and access to internship and placement opportunities. Additionally, the center hosts workshops, seminars and awareness sessions on crucial career development and further education themes, empowering students to make informed decisions about their future professional journeys.

For our esteemed alumni, the CDC remains a valuable resource for career transitions and lifelong learning. Whether graduates are seeking new job opportunities, considering a change in career direction, or pursuing further education, the CDC provides guidance, access to networking events, and job postings tailored to their needs.

Having said that, the services CDC offers will not be possible without esteemed partnerships with the respective employers, organizations and institutions across various industries. By way of such partnerships, not only our graduates steps into their professional lives, partners too gain access to valuable pool of talented and motivated resources that eventually contributes towards their productivity. Our partners, throughout the year participate in various interventions to build stronger industry academia linkages. One of the key interventions is IBA's Annual Career Fair.

Career Fair 2024 Highlights

About IBA Career Fair'25

For over 60 years, IBA has been the premier contributor of human resources to the corporate landscape of Pakistan and around the world. The annual Career Fair plays a significant role in maintaining the edge in graduate employability - bridging the gap between the leaders of today and tomorrow.

IBA Career Fair connects the students and the employers through recruitment booths, on-spot interviews, mentoring, counselling, and interaction with company representatives, to determine their paths for professional growth and experience.
